

NISQUALLY INDIAN TRIBE

MOVING FORWARD BY GIVING BACK

The 2019 Nisqually Indian Tribe Charitable and Local Government Program awarded more than 170 area agencies and organizations a total of \$1.5 million in vital operational funding through a competitive application process. Funds are awarded to 501(c)3 tax-exempt organizations dedicated to public safety, children's services, community health, cultural preservation, veteran's support and environmental protection. Scholarship funds and community groups also participate in the program while local government funding provides for police, fire, emergency services and other public safety needs. Nisqually is proud to be a part of helping to grow and support agencies and partners that are integral parts of our communities.
